Letter from the Principal

Dear RHLS Family and Friends,

What an amazing 2024–2025 school year it was! Throughout the year, we truly embraced our core values of Love, Respect, and Responsibility, not only in words, but in how we learned, listened, shared, and cared for one another. Students showed kindness in big and small ways, made thoughtful choices, and worked hard to be leaders in our school community.

We also grew in our friendships. New connections bloomed, old friendships deepened, and our classroom became a safe and supportive place where every student had a voice. We celebrated each other's successes, encouraged one another through our challenges, and laughed along the way.

Academically, students expanded their thinking and stretched their minds. They asked big questions, explored new ideas, and pushed themselves to try new strategies. Watching their confidence grow in reading, writing, math, science, and beyond has been one of the greatest joys of this school year.

We are so proud of the growth we have seen socially, emotionally, and academically. This year has been filled with learning, discovery, and memorable moments we will treasure.

Thank you for your partnership and support throughout our journey. We are grateful for you and excited for all the bright paths ahead!

Warmly,

Kelly McCabe

PARENT VOLUNTEER ORGANIZATION - PVO

Our Parent Volunteer Organization (PVO) is made up of amazing, giving parents who care deeply about our school community. From the very first day of school to the last, our dynamic PVO board members dedicate their time and energy to making each school year special. Whether it's planning events, celebrating teachers, or finding creative ways to support students, our parent volunteers truly make a difference every single day. Together, we work to make our school a fun and welcoming place to learn.

This year, PVO donated \$115,532.87 to the school. The majority of these funds have been allocated for a new play structure on our playground. Thank you, families, for your generosity.
