

2PM Theater Presents... Disney's Frozen Kids

2PM Theater is an after-school theatre arts program that gives students a fresh opportunity to learn from trained theater and music professionals to produce a professional-level showcase they can feel proud to be a part of. During our rehearsal process, children will be taught music from family favorite shows, acting techniques that foster public speaking abilities and confidence, character development skills, fun and unique choreography, all while building creative intelligence, forming new friendships, and creating lasting memories.

✓ Costumes you take home forever!

✓ Singing LIVE for all to hear

✓ Trolls, Magic and OLAF.. OH MY
